++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry and cloudy again, early morning drizzle for some.

This Evening and Tonight:
Remaining dry and largely cloudy this evening, feeling cool under the clearest spells across westernmost areas. Cloud thickening again overnight, bringing patchy drizzle over high ground in the early morning. Minimum temperature 11 deg C (52 deg F).

Wednesday:
Any light patchy rain will quickly clear, giving way to another cloudy but dry day. Western and northwestern areas will see the brightest skies later, giving higher temperatures. Maximum temperature 19 deg C (66 deg F).

Outlook for Thursday to Saturday:
Generally cloudy but dry conditions continuing, with some sunny spells scattered throughout. Drizzle still possible over higher ground. Feeling warm in the sunshine, but a few chilly nights ahead.
